Road Master Report: Rodney gave the road master report for the month of June: 1. Paddy Mtn. the bridge is complete and opened up to traffic. We had to place R5 rock along all 4 corners to build our road corners up to the cart way. Cleaned the ditches from the bridge up to the bed and breakfast. Put a new pipe crossing in above the bridge to help control the water better. Replaced and regraded 40" of 15" ads pipe at the bed and breakfast. We put in two water control turn outs in coming up the hill from the bridge. This kind of work will continue on until the project is complete. 2. Trails End Road we put down cold patch in pit holes. 3. We cleaned up trees on Pardee and Ranck Road. 4. Broomed Pardee road from heavy rain washing out the ditch line. 5.. All roads are mowed. 6. Took John Deere mower to Nelson Z. to charge the AC, and replaced cab filters which seems to help the AC work better. 6. The F-550 is getting two new wheels on the passenger side due to loose lugnuts. 7. The 600 Ton of R4 rip rap from New Enterprise did not meet DRG specifications, our stone salesman is working to make this right since it was their mistake. 8. Bradley made a motion for Rodney to get quotes for a garage door opener. Barry seconded: motion carried.
